

LACINATO HEIRLOOM KALE

BRASSICA OLERACEA

ALSO CALLED DINOSAUR OR TUSCAN KALE, THIS DARK LEAVED ITALIAN HEIRLOOM WON'T DISAPPOINT YOU. IT IS HARDY AND EASY TO GROW, GOING RIGHT THROUGH FROST, ACTUALLY IMPROVING IN FLAVOR WHEN THE WEATHER IS COLD. THOMAS JEFFERSON GREW THIS KALE AT MONTICELLO, AND IT IS STILL A WINNER. HARVEST THE OUTER LEAVES AND BLANCH THEM LIGHTLY TO BRING OUT THE FLAVOR, THEN USE IN YOUR FAVORITE RECIPE. EXCELLENT SAUTÉED WITH GARLIC AND WALNUTS AND A GREAT ADDITION TO WINTER SOUPS AND STEWS. DELICIOUS!

SUN TO LIGHT SHADE

ALL ZONES
