

FLAT-LEAF ITALIAN PARSLEY

ZONES 2-12

SUN TO PART SHADE

PETROSELINUM CRISPUM

THIS CLASSIC BIENNIAL HERB IS A MUST IN THE KITCHEN, FLAVORING MYRIAD DISHES WITH ITS PUNGENT, CRISP FLAVOR MORE FLAVORFUL THAN ITS CURLY LEAVED COUSIN AND THEREFORE PREFERRED FOR COOKING, FLAT-LEAVED PARSLEY IS ALSO MORE HEAT-TOLERANT. USE TO BRIGHTEN THE FLAVOR OF STARCHY FOODS LIKE POTATOES AND CHOPPED IN MARINADES AND SALADS WHERE ITS FLAVOR ADDS A BRIGHT, PERKY NOTE.
