

LADY BANKS CLIMBING ROSE

ROSA BANKSIAE 'LUTEA'

SWEET, CHARMING LADY BANKS. WHEN MINIATURE BUTTER YELLOW, LIGHTLY SCENTED ROSES DRAPED LIKE COPIOUS FLOWER GARLANDS COVER HER IN SPRING, SHE LOOKS LIKE COTTAGE GARDEN DEFINED. BUT DON'T LET THE TINY, DELICATE BLOSSOMS FOOL YOU, THIS IS ONE VIGOROUS PLANT. THE THORNLESS CANES REACH UPWARDS OF 25' IF GIVEN SUPPORT, AND WILL MOUND AND SPRAWL ALONG THE GROUND IF NOT. GREAT FOR LARGE(!) ARBORS AND TUMBLING DOWN BANKS, LADY BANKS WILL STAY EVERGREEN IN MOST YEARS IN OUR ZONE 8 CLIMATE. LOW MAINTENANCE, IT NEEDS LITTLE CARE IF GIVEN ROOM TO GROW AND IS ADAPTABLE TO MANY SOILS, INCLUDING CLAY. AN OLD FASHIONED BEAUTY THAT WILL TAKE YOUR BREATH AWAY IN BLOOM!

ZONES 6-9
