

WINTER SAVORY

SATUREJA MONTANA

EASY TO GROW AND AROMATIC, WITH A STRONG SPICY FLAVOR, WINTER SAVORY IS ESSENTIAL FOR ANY HERB GARDEN. WITH A FLAVOR THAT MINGLES PARTICULARLY WELL WITH ANY TYPE OF MUSHROOM, BEANS, AND IS PARTICULARLY TASTY WITH POTATOES, IT ROUNDS OUT THE PALETTE OF FLAVORS TO CHOOSE FROM, LANDING SOMEWHERE BETWEEN THYME AND ROSEMARY. THROUGHOUT ITS LONG HISTORY OF USE IN THE KITCHEN AS WELL AS MEDICINALLY, WINTER SAVORY IS KNOWN AS A TREATMENT FOR A WIDE RANGE OF DIGESTIVE ISSUES. GROWING AS A TINY, EVERGREEN SHRUB REACHING 1-2' TALL AND WIDE, IT CAN BE GROWN AS A SCENTED GROUND COVER IF SPACED CLOSELY. ATTRACTIVE TO POLLINATORS, THE TINY WHITE FLOWERS APPEAR IN MID SUMMER. DEER RESISTANT!
